## IMPORTANT INFORMATION – PLEASE READ!

- ❖ Set up is available on Thursday night from 7:00 PM to 8:00 PM.
- ❖ Our judge is a VMO. If your dog needs to be measured, please make sure you get a measurement before your run.
- ❖ You will need to bring a plastic/waterproof sheet to put under your crates/x-pens. Straw mats must have a plastic sheet under them. This applies to the basketball court as well as the turf. Please set up crates/x-pens in designated crating areas only.
- ❖ We have plenty of crating space available; however, we do ask that you conserve space to allow adequate room for everyone. GTOTC reserves the right to condense areas if necessary. Please do not crate along the sides of the ring.
- ❖ Dogs are to be crated or held on leash at all times, other than in the ring or at the practice jump. Please be considerate of fellow exhibitors and spectators by watching your dogs. This rule will be strictly enforced!
- ❖ **Please park Trailers/RVs in the north parking lot. Trailer/RV parking is not allowed in the west parking area including along the grass.** City regulations **do not permit overnight parking at the show site.**
- ❖ No tents are allowed in the parking area at this show site.
- ❖ We will accept day-to-day move ups. Move up forms will be available at the score table.
- ❖ Please clean up after your dogs at the show site and where you have overnight accommodations. “No dog” areas will be indicated. Do not walk your dogs on the grass surrounding the Senior Center – they’ve been great neighbors for all of our trials. Please do not allow your dog to pee on the building.
- ❖ No dogs allowed in the lobby area.
